Assembly Awards

Congratulations to our first medallion winner for 2016. Remember to get your awards in before the last day of school to attain your well-deserved awards for the year.

Helper's Lunch

The Helper's Lunch is **Thursday 8th December**. This is an opportunity to thank parents, friends, scripture and ethics teachers who have helped the staff and students throughout the year. It is a time to acknowledge those parents who may be leaving the school after a long association. The luncheon will be held in the school hall between 1.00pm and 2.00pm. Please keep this day free if you have been a helper at the school this year. **For catering purposes, please return the slip on the note or contact the school as soon as possible by Thursday, 1st December**. If you have been a helper and have not received the invite please check your child's bag or come to the office further information.

Scooters and Bikes

All students who ride a bike or scooter to school must wear a helmet. Students without helmets will not be permitted to ride home. Student safety is paramount.

Classes for 2017

As we did this year students will return to school in 2017 to their 2016 classes for the first few days so we can finalise numbers. I ask that you complete the section below and return to the office or send an email to the office if your children will not be returning next year or if they will be returning late. We understand that family circumstances change and wish those families who are leaving success in their new location.

At times students and parents have concerns regarding class placements for the following year. If you have any concerns please see me prior to the end of term so these concerns can be addressed.

COSfest

Parramatta Air League Squadron has moved

We are writing to let you know that the Parramatta Boys Squadron of the Australian Air League has recently moved and now meets in the Girls Guides Hall at LOT 1 Edison Parade, Winston Hills NSW 2153 on Wednesday evenings from 7:30 until 9:30pm.

The Parramatta Boys Squadron is one of the oldest Squadrons in the Australian Air League, it was formed in 1935 and for many met in their hall at Jubilee Park, Parramatta. Unfortunately, progress has taken its toll and the hall that the Squadron has met in since the 1940s will soon be redeveloped, so the Squadron has taken the opportunity to move into a new area at Winston Hills

The Air League is inviting young people, who may be interested, to come down with their parents and learn what the Air League has to offer. The Australian Air League is a nationwide organisation for young people aged from 8 to 18 years. Staffed by volunteers and self-funding, it teaches leadership skills and provides a wide range of interesting and exciting activities such as camping and hiking, sport and physical recreation, building and flying model aircraft and ceremonial drill. Through classes and practical demonstration members learn the theory of aviation and a wide range of associated topics such as Meteorology, Navigation, Aero Engines and Aircraft Construction, as well as general interest subjects such as photography, fieldcraft and community service.

The Air League also provides a range of flying experiences for its members, from simple scenic joy flights through to gliding and powered-flying training, from private pilot licence (PPL) through to airline entry standards – all in aircraft owned, operated and professionally maintained by our staff.

Running a strong program that is both fun and educational, the Australian Air League is making fine citizens out of young Australians. Currently there are a number of Squadrons in Western Sydney including Penrith, Richmond, and Blacktown as well as Squadrons at Epping and Ryde
