### Principal's Report

#### Thank You

WOW – what a year! There were certainly many ups and downs this year that placed great strain on families, students and staff. Not only did it come after seasons of drought, fire and floods, but the uncertainty of the pandemic has been challenging for many on a professional and personal level. But together we have ended the year stronger and reflective of the year that has been. I would like to thank all families for the continued support of the school, staff and students throughout the year.

To my amazing staff who, despite the challenges that faced them, remained focused on the job of educating students while ensuring the wellbeing of their classes all year. Our intense commitment to develop resilient, life-long learners proved to be an important focus this year.

A heartfelt thanks again for all your efforts, for the part you played in keeping our community safe and our students learning.

#### 2021

As we move into a new year we have several staff changes. Miss Parish will be working at Mudgee Public School and Miss Sievas and Miss Madigan will be moving to new schools. We thank them for their efforts here at Burnside this year and wish them every success in their future. I would also like to thank the outstanding support Miss Verity, Miss Kate and Miss Katherine has offered our school over the past few years working and supporting students both in the classroom and in the playground.

Next year we hope to form 10 classes. At the commencement of the year all students will return to their 2020 class group for Friday 29<sup>th</sup> January and Monday 1<sup>st</sup> February. New classes will be formed hopefully on Tuesday 2<sup>nd</sup> February if our numbers are stable. There are some teachers that will be changing the stage groups they will be teaching next year.

#### Presentation Day and Year 6 Graduation

Can I thank all families who attended these great events. While I understand your frustration with filling in forms, I believe the events were a great success and gave all our families the opportunity to come on site and share these experiences with their your child. To my staff – THANK YOU!
