Showcase – Open Classrooms - Thursday, 29 November, Week 7 at 2:15pm

On Thursday, 29 November, Week 7 at 2:15pm, we would like to invite parents into the rooms prior to home time to view work that the students have recently completed in their rooms. Our senior classes will be in the hall and all other classes in classrooms. This informal afternoon will allow students to show you some of the work they have completed and for you and your child to actively communicate about their learning. You are welcome to visit the year 5 rooms and the year 2 room to see robotics at work.

Parent Survey

We appreciate the continued support of the school, its students and staff that our school community provide throughout the year. It is that time of year to review our practices and make adjustments for the coming year. We would appreciate your views and ideas. I ask that you spend 5 mins to complete the following survey. If you do not want to comment please place an X in the box.

Survey link <https://www.surveymonkey.com/r/BMLTH99>

The results of the survey will be used by staff to improve Burnside and offer the very best programs that we can for the students.

Movie Makers

What an amazing evening at Cumberland High School where our student finalists of Movie Makers competed in the COSfest Movie festival. I would like to acknowledge and thank Mechel Pikoulas – Principal of Cumberland High school and her team for supporting this great event. The results for the evenings was K-2 division – Highly Commended Burnside PS, 3-4division – 1st place Burnside PS, 5-6 division 1st place Burnside PS – Congratulations to all students! Thank you Mrs Barrett, Miss Parish and Miss Smart for supporting the students.

Parent/ Community Helper Lunch

In recognition to our many wonderful parent helpers, and as a thank you for the important work you do for our school and our students, I invite you to a lunch the school will be hosting on Thursday **6th December at 1pm**. The staff and I look forward to enjoying lunch with you on the day.

For catering purpose please notify the office if you will be attending this luncheon either by note or email by Thursday, 29 November.

Keeping Children Safe

Keeping students safe is a priority of our work. But there are safety practices that you can encourage with your children outside the school setting.

- Never stand alone waiting to be picked up. Stay close to other groups so help is close.
- Always have safe places to take refuge when walking home e.g. shops, schools, neighbours etc
- Never enter public toilets alone.
- Be prepared to say 'Go away – I don't know you – leave me alone.' If a stranger approaches you.

Library News

All library books Due BACK NOW!

This term Stage 2 students have been studying the PRC book *The Godwits*, with Mrs Spies. The author, Bruce Pickworth who is a former teacher, has been a bird watcher, a natural history advocate and committed conservationist all his life. He has kindly offered to come to Burnside, free of charge, to talk to the students on Wednesday 28th November. Students will be able to purchase this wonderful book for \$10 - much cheaper than the retail price. Please return the note to the office if you would like to purchase this book.

Assembly Awards

Week 5

Week 6

Peer Reading

Our younger students enjoy the opportunity to read to the senior students during the lining up time after lunch each day. This provides students with another opportunity to engage with the reading process. Thank you to our year 6 students for displaying their leadership skills with this important school event.

Year 6 CPR Awareness training

This week Year 6 completed an awareness training course for CPR and first aid. Thank you to the P&C for funding this important program.
